NEW TELEPHONE NUMBERS

There have been some changes in the school district's telephone numbers. To provide families with a handy reminder, the district is sending each family a magnet with the telephone numbers for the three school buildings. The magnets (one per family) are being sent home in today's Friday folders.

2009-10 PARENT-STUDENT HANDBOOK

The revised handbook is available on the school district's website (www.bighollow.us) by clicking on the "About Us" link. We are sending home a request that parents read the handbook and return a signed form acknowledging that they reviewed the document.

STRATEGIC PLANNING

Community members are invited to participate in a third strategic planning session on Monday, September 28, at 7:00 p.m. in the middle school. The two topics will be school district finances and school district facilities.

SCHOOL DISTRICT ENROLLMENT

Big Hollow reported the largest student 2009-10 population increase in Lake County (based on official Six-Day Enrollment Data). Big Hollow's enrollment increased by 159 students, bringing the district's total to 1,677.

H1N1

New, and often conflicting, information pertaining to H1N1 seems to be reported by the media on a daily basis. Our school district nurses monitor Federal, State and County information to ensure that flu-related information will be accurate.
