

Hoops for Hearts Update

The final numbers for the Hoops for Hearts event are in and the results are astounding. A total of 225 Big Hollow Middle School students were involved in this year's event and together they raised a school record of \$8,418.29 for the American Heart Association! The 6th-8th grade students participated in a 3 on 3 tournaments with qualifying rounds in their physical education class and the finals were part of a school wide assembly. The 5th grade students had an opportunity to participate in the game "Basketball Snatch" as part of an assembly as well as in their PE classes. Overall, this year's Hoops for Hearts was a great success.
