Recycling Contest

The competition was fierce! Many classes were collecting paper to win the pizza party. The paper recycling contest began on April 6 and ended on Tuesday, April 20. The classroom with the tallest tower of paper to be recycled won a pizza party, a “Green Room Award”, and a surprise gift for each student. The second place class was Mrs. Paz’s class with 42.83 feet of paper. The winning class was Mrs. Miller’s class with 65.25 feet of paper. Please remember that even after the contest you can continue to add paper to the paper retrievers located in the parking lots.
