Teacher Appreciation Week

The week of May 3-7 is teacher appreciation week. Students can write a note or draw a picture to let their teachers know that they are appreciated. Teacher commendation forms are available in the school office all year.

Congratulations Second Graders

On April 15, a group of second grade students participated in the Noetic Learning Math Contest. More than 3,500 students representing 304 teams participated in this nationwide contest. Congratulations to the following students who placed on the Grade 2 National Honor Roll category: Larry, Sowmya, Neil, and Edward and to those who placed in Grade 2 Honorable Mention category: Katelyn, Katie, Maggie, Kaitlynn, Isabel, Justin G., Charnice, Kaleb, Emma, Leslie, Scott, Brandon L., Justin S., Brandon T., and Clarissa. Other participants in the contest included: Hunter, Ian, Carson, Tommy, Taylor, Jhanvi, Frances, George, Daniel, Emily, Bonnie, Luke, Raymond, Alyssa, Justin P., Janie, Camille, Jacob, Grace, Chloe, Adam, Noah, and Cheyenne. You can see all of the final results posted on Noetic Learning's website at <http://www.noetic-learning.com/mathcontest/>.

Project ACES

Project ACES was created by physical education teacher Len Saunders in 1989 as a method of motivating children to exercise. ACES stands for "All Children Exercise Simultaneously". ACES takes place on the first Wednesday in May as part of National Physical Fitness and Sports Month along with National Physical Education Week. It has been labeled as "the world's largest exercise class". Millions of children from all over the world exercise together to promote proper health and fitness habits. At 10:00 a.m. students in grades 2-4 will participate by skipping, walking, galloping, or jogging on a course with their teachers. In the event of rain, students will participate indoors.

4th grade City Simulation

Ever been to Massachusetts? How about Honolulu, United Keenon, Enchanted Woods, Silver City, Guineaville, or Hollywood? 4th grade students have been learning all about cities with their city simulation. Students have learned the A to Z's of city life, including economy and government.

Summer School

If you are interested in summer school, please look for information on the Big Hollow Website. Information packets will be available in each school office.
