## Fire Drill

On Thursday, we held our first fire drill of the school year. The students evacuated the building quickly and safely.

## Bus Evacuation Drill

On Wednesday students performed a bus evacuation drill. Bus drivers taught the students how to properly and quickly evacuate the bus in case of an emergency.

## Band

Your child can still be a part of band! Group lessons are given twice each week and your child will have the opportunity to play in at least three concerts this year. No experience is necessary. Tuition cost is \$450.00 for the year, which is billed in 9 monthly installments of \$50.00. That works out to only a little over \$6.00 per lesson. There is no long-term financial commitment, you only pay for the months your child is in the band. If needed, we also offer a rent to own instrument program. Most instruments rent for \$34.00 per month (saxophones rent for \$49.00/month). We need students to play instruments. Could your child be one that will help us out? I hope so! I would love to include him/her in your school's program! Please talk with your child and call Music Education Services at (847)805-1800 to register.
