### Outside Recess

Winter is here, the calendar tells us. It is important to remember to send students to school with the proper outerwear for the weather. Hats, gloves/mittens, snow pants, boots, and coat are necessary. We will be going outside as long as it isn't raining and the wind chill temps stay about 15 degrees.

### Lost and Found

If you are asking your child where their hat, gloves/mittens, or coat are and they can't find them, they may be in the lost and found at school. We have a healthy collection of clothing that has lost its owner. If you would like to look in the lost and found come to the office and we will direct you where to look.

### Benchmark Testing

Rtl benchmark testing will be taking place now through the 20th of January. Results of testing will be sent home separately from the report card.

### Report Card Date

Report cards will be going home on January 20th. Be sure to look in your students backpack for it. Please remove the contents it is yours to keep. Sign the envelope on the second line and return to school.

### Testing Windows

Information on when testing will take place check on the Big Hollow Website, under Parents and District Wide Assessments.
