Dear Parents of traveling Math students,

We apologize for the inconvenience, but Grant Community High School and Big Hollow Middle School have differences in their calendars that affect our traveling students' schedules and transportation.

Please see the dates below where students may need to take the Big Hollow bus **directly to** the Middle School or for dates where parents will need to arrange for transportation **home from** Grant High School.

There are several days where students will **NOT** attend Math at Grant High School due to the High School's late arrival schedule, institute days, and parent/Teacher Conferences. Students will use Big Hollow bus transportation and come directly to Big Hollow Middle School.
