Big Hollow Food Drive Benefits the Grant Township Food Pantry

INGLESIDE, IL- December 12, 2011- At Big Hollow Schools “Good Character Counts”. Not only do we want students to grow academically, we want them to grow as individuals and citizens. Each month we will take time to place emphasis on the character education program and highlight one of the positive character traits. During the month of November and December students are learning about the trait “caring” and participated in a food drive to benefit the Grant Township Food Pantry.

First graders at Big Hollow Primary help load the items collected for delivery to the Grant Township Food Pantry.
