Bus Safety and Guidelines

This week students were instructed on safety rules for riding on the bus. Be aware that bus drivers will not drop off Kindergarten and First grade students unless there is an adult present at the bus stop. Please review these guidelines with your child.

- Arrive 5 minutes early at your designated stop.
- Stay off the roadway while waiting for the bus.
- Stay seated while the bus is in motion.
- Keep voices and noise at a safe level.
- Be absolutely quiet when approaching railroad tracks.
- Do not throw anything out the bus window.
- Keep hands and head inside the bus at all times.
- Keep backpacks and feet out of the aisle.
- Be courteous to the bus driver and other bus riders.
- Do not ask the driver to stop at places other than the regular bus stops.
- If it is necessary to cross the street, do so 10 feet in front of the bus when the bus driver indicates it is safe to cross.

A bus incident report will be submitted for inappropriate behavior on the bus and a parent will be notified.

Parking Lot Safety

School personnel will be on duty in the morning to help direct vehicles and assist students crossing the fire lane to the sidewalk. Use extra caution when driving through the parking lot area.

- Do not use the fire lane to drop off or park.
- Drop off your child in a single file line of traffic.
- Park **only** in designated parking spots to walk your child into the building.

Picture Day

School pictures will be taken on Friday, September 10. Information will be sent home today in the Friday Folders. Please return the picture envelope back to school on or before picture day. Picture retake day will be on October 28 for students who are absent.
