

Dear Parent/Guardian:

The enclosed "Certificate of Health Examination" form, which includes evidence of the required immunizations, must be completed by your doctor before your child may attend the 2016-2017 school term. Please be sure both sides of this form are completed. It is now required that your child have a dental exam upon entering Kindergarten and the second and sixth grades. Also, it is now required that all students upon entering Kindergarten or an Illinois School for the first time, have an eye examination, by a physician licensed to practice medicine in all its branches or a licensed optometrist. An Eye Examination Report Form is included in this packet.

All children entering Kindergarten and sixth grade shall have a physical examination.

- ❖ **Kindergarten** children are required to have **DPT and polio boosters** after age four. They are also required to have **two doses of varicella vaccine (chicken pox)**.
- ❖ Children entering **fifth grade** are required to complete the **Hepatitis B series**.
- ❖ Children entering 6<sup>th</sup> grade are required to have had a Tdap booster.
- ❖ **Children entering 6<sup>th</sup> grade must show proof of having one dose of meningococcal vaccine, on or after the 11<sup>th</sup> birthday.**
- ❖ **All children** are required to have had **two doses of measles vaccine**.
- ❖ **The student's health history must be completed by parent/guardian.**
- ❖ All children are required to have a **dental examination upon entering Kindergarten, second grade and sixth grade.**
- ❖ All students **entering Kindergarten or an Illinois school for the first time are required to have an eye examination by a physician licensed to practice medicine in all its branches or a licensed optometrist.**

Any questions regarding examination or immunizations may be directed to your child's school.
