Summer School 2019

Registration is open. Registration deadline is May 17, 2019. There will be no registrations accepted on the first day of summer school. Registration and payment can be completed online at www.bighollow.us.

A registration confirmation letter will be emailed when your registration has been received and processed. A final schedule, including busing, will be sent out the week before summer school starts.

Transportation will be available for any Big Hollow Summer School student that has completed registration by Friday, May 17th. We will need a minimum of 10 students utilizing busing to provide transportation. All bus stops must be within the Big Hollow district boundaries.

Class limits/cancellations: Early enrollment is important as classes are cancelled before the opening of summer school if there is insufficient registration. Should a class not reach the minimum number of students, a cancellation notice will be sent to parents. No refunds will be given after Friday, June 7, 2019.

Summer School courses are intended for the current year in school (2018-19)

Enrichment Course Catalog

Reading and Math with P.E. Games

Kind-1st grade

Do playing P.E. games and math activities go together? They do this summer in Reading and Math with P.E. Games! We will be the group having fun outside on the playground and in the gym while practicing our reading and math skills. We will reinforce math and literacy skills with games, activities, crafts, books, and centers. All students who are entering 1st or 2nd grade in the fall will enjoy this active and engaging class!

For the Love of Picture Books

Kind

Explore picture books with reading, writing, STEM & craft activities

Our World Around Us

Kind-4th

Students will explore nature with hands on experiences in and out of the classroom. We will be investigating plants, insects, and much more to see just how our habitats thrive down to the microscopic views of life. Students will intertwine a wide range of skills and take home a wealth of knowledge. Sign up to join us on our adventure! This is one you won't want to miss.

Second Helping Reading

1st-3rd

Students will continue to develop and improve their basic reading, comprehension and writing skills.
