5:220 Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold a valid teaching or substitute certificate and present a certificate of authorization from the Regional Superintendent showing that he or she is approved to substitute teach. Substitute teachers with a substitute certificate may teach only when an appropriate, fully-certificated teacher is unavailable.

A substitute teacher may teach only for a period not to exceed 90 paid school days or 450 paid school hours in any one school district in any one school term. However, a teacher holding an early childhood, elementary, high school, or special certificate may substitute teach for a period not to exceed 120 paid school days or 600 paid school hours in any one school district in any one school term, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board of Education establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board
